

# Martham Parish Council News

## Planning Applications

The following are all held at the Parish office if you would like to view them:

BA/2014/0213/CLUED—Maggies Folly, 49 Riverside. Certificate of lawful use sought for the continued use of existing holiday accommodation.

06/14/0608/F—154 Repps Road—Single storey rear extension, revised.

06/14/0626/F—Sycamore Ave, land off—Instllation of Air Source Heat Pumps.

06/14/0468/F—33 Rollesby Road—Renewal of Planning Permission for change of use of domestic integral garage into dog grooming Salon—GRANTED.

## Community Led Plan

In 2004 the Parish Council produced a Parish Plan after much work and consultation. The objectives highlighted by members of the Parish have been delivered, or have now gone out of date, and the Council is keen to develop a 'Community Led Plan' which is the latest way of seeking the views of the Parish.

The first meeting will take place at the Community Centre on the 28th January 2015 at 7.30am and the Council needs to engage with the groups in the village, and have a working party of volunteers to support the work.

The hope is that it will offer, through questionnaires and comments, a true reflection of how people see the village, and what they would like the Council to direct itself towards delivering. This then can be used by the Council as a mandate to focus future ambitions towards.

Please put this into your diary already, and come along and find out more about this exciting undertaking.

## War Memorial.

The Council received a grant to fund part of the cleaning of the memorial, but funded the majority of the cleaning work themselves. With the Church cutting the trees back and exposing it once again the Memorial really does stand out when you pass along Black Street.

## Social Media

Martham Parish Council now has a new website:

<http://marthamparishcouncil.norfolkparishes.gov.uk/>

It is still being updated, and having information brought across, but this is where you will see al the latest news.

We are also on Facebook—search Martham Parish Council and 'like' the page and you will stay updated.

## Village Pond

The disconnections have now taken place that will enable the pipework to be re-opened into the village pond. It is hoped this will enable a better through flow of water, and a higher level to be maintained.

In the spring the pond will be cleared once again of rubbish, and a planting scheme will be introduced to try and maintain the clarity of water and discourage the ducks.
