Councillors News

The Parish Council has been fortunate to appoint Mark Llewellyn as the Parish Youth Worker, I'm sure you that you will start to see communications from him shortly, please do consider offering him your support so that we can really make a difference for the Young People in the village.

We have been fortunate to get Circus Ferrel to come to the village for half term at the end of May. They will be arriving on the main Green on Saturday the 24th in time for an evening performance, an will be performing all week until Friday the 30th—watch out for local posters.

I have been asked to offer thanks for everyone who gave up time for the Litter Picking day—it was a great success, and really did make a difference in the village.

The cutting of footpaths has once again started in the Parish, if you find any issues with footpaths in your travels please do let the Clerk know. The Council prioritises the maintenance of all the paths within the Parish, and is keen to ensure that they are all at a good standard.

All of the Agenda's and Minutes do go up on the notice boards in the village. If you have any comment to make on any issue, or wish to address the Council there is a public forum at the start of every meeting at 7.30pm. Any parishioner is welcome to attend and address the Council on any matter.

The next meeting is May 21st and will be the Annual Parish Council meeting.

Annual Parish Meeting

This will take place on 7th May at 7.30pm at the Community Centre.

There will be presentations from many village organisations, and the chance to put forward any issues within the village that you would like the Parish Council to discuss.

It is not a Parish Council meeting—but an opportunity for the village to share information.

Allotments

The Parish Council has been exploring the possibility of obtaining a grant to fund the provision of a waterless toilet down on the allotments.

If this would encourage you to have an allotment, or make a difference to how you viewed the plots please either call for a copy to be posted out to you or visit:
