MARTHAM COMMUNITY LED PLAN SURVEY

Please tell us what 2 issues you feel should be addressed in our community NOW and your ideas on what could be done about them?

Priority 1:
What could the community do to address this issue?
And what could we ask others to do about this issue?
Priority 2:
What could the community do to address this issue?
And what could we ask others to do about this issue?
What new ideas might benefit the community in the future?
Is there anything you have mentioned above that you would be prepared to help with?

Please return this sheet by the end of May to: Martham Clerk,
