Community Speed Watch

HOW IT WORKS:

Trained volunteers verify and record the registration numbers of offending vehicles.

These details are forwarded to the Constabulary who will send offenders a letter.

A maximum of two letters will be sent to offenders.

Persistent offenders may be targeted for police enforcement.

Follow-up work on education and enforcement by Norfolk Constabulary and our partners will also take place as appropriate.

JOIN COMMUNITY SPEED WATCH

If you are interested in setting up a scheme in your town or village or joining an existing scheme:
