Scarecrow Festival - another success

After what has felt like an eternity away from being able to enjoy our well organised community, we were able to return to some form of 'normality' over the bank holiday weekend. People from far and side were able to enjoy the great spirit of the village epitomised by the wonderful scarecrow festival.

Volunteers work all year round to make the event a great success. The Council would like to thank all those who were involved with particular thanks to Laura and Luke who work tirelessly all year round.

Date for your diary: See you all again on 30 April & 1 May 2023.

All planning applications and decisions can be viewed on the Great Yarmouth Borough Council
