

Martham Parish Council

*“Working to make Martham a greener, safer
and more attractive village for all.”*

Annual Review 2022

Covid 19

Like the rest of the community the council was affected by the pandemic. Income from the community centre dried up. Council meetings were held by Zoom and many village events were cancelled. Lots of groups had to stop.

third of the village

Clearing the litter in our village!

Village Greens

More use of the Greens with the return of Scarecrow festival, carnival and the funfair, more to come with Picnic on the green with FREE family activities to celebrate Queen's Jubilee.

Trees

Weeping Willow on the Co-op Green suffered a lot of damage during a storm.

Trees

It was severally cut back and shaped so that it looks much better.

A tree down on playing field lane was brought down during a storm and was removed

The council have commissioned a report on trees on green to prevent future problems

The Council works closely with groups within the village and we would like to thank the following for all their help this past year:

Organisers of the Scarecrow Festival

The Carnival Committee

Organisers of the Christmas Fair

Odd Bods for all the cleaning work they undertake around the village free of charge.

Martham Boat Dyke Trust for all the good work they do for the village.

The Gardening club for their work on the planters on the Green.

The Councillors that give their time so freely and particularly our Clerk Stacey Kent who does a wonderful job keeping us in order.

And finally all the other unsung heroes who make our village so great!
