

Martham Parish Council Policy
of
Temporary signs on the Village Green

1. Temporary signs may not be erected on the village green within Martham without the prior approval of the Parish Council. To obtain permission to erect a sign please contact the Clerk on 01493 749938 or email clerk@martham.gov.uk.
2. Signs should be erected no more than one week in advance of the event that they are promoting and should be removed immediately after the event has taken place.
3. All signs must be of a professional standard and must not reflect any political and/or discriminatory messages. They must be robust and securely fixed so as to cause no injury or damage to pedestrians, property or passing traffic. Responsibility for any injury or damage arising from the signs shall rest solely with the organisation/person displaying the sign. All organisations are advised to have their own risk assessments in place to cover signage. Signs should not obstruct the view of pedestrians or drivers.
4. The Parish Council reserves the right to remove any signs which are not in accordance with this policy. Councillors will remove signs and contact the Clerk to write to owners where possible.
5. The erection of any signs on land owned by Norfolk County Council Highways may require permission from Norfolk County Council. Please contact them on 0344 800 8020 for more information. If you require advice in understanding whether land is part of the village green, please contact the Clerk.
